Click "Book details"

Be sure it is in the "TCDHA-Library"

Book details shows more information, including the Call Number. This number will tell you where the book will be on the shelf in the library. The number will be in 3 lines on the spine of the book, such as:

617.602
BIR
2009

The top line is the subject classification, the second line is the first three letters of the author's last name, and the last line is the copyright year. There are many books in the library with the same name and author, but different editions indicated by the year.

The screenshot shows the LibraryThing interface for the book "Torres and Ehrlich Modern Dental Assisting" by Doni L. Bird. The book cover is on the left. The main content area displays the title, author, and a table with statistics: Members (19), Reviews (None), Popularity (377,727), Average rating (None), and Conversations (None). Below this is a detailed metadata section with fields for Title, Author, Rating, Other authors, Publication date, Publication, ISBN, Number of copies, Pages, Dimensions, Weight, LC Classification (RK60.5 T67), and Dewey (617.602 BIR 2009). A callout bubble points to the Dewey number, labeling it as the "Call Number". The right sidebar contains "Quick Links" to various retailers, "Get this book" options, "Popular covers", "Rating" information, and "Is this you?" options.

You can also get help citing the book. Scroll down to the bottom and you will see this:

The screenshot shows the "Advanced" section of the book page. It includes a "Summary" field with the text "Torres and Ehrlich Modern Dental Assisting by Hazel O. Torres (2009)". Below this are fields for "Member" (TCDHA-Library), "Entry date" (2011-04-15), "Data source" (amazon.com), and "Private" (No). At the bottom, there is a "Citation" field with links for "MLA, APA, Chicago/Turabian, Wikipedia citation". A callout bubble points to these links, stating "Click 'APA' if that's the style you want to use". On the right side, there are "Advanced" options: "Recalculate cover" and "Recalculate title/author".

This will bring you to this page, which gives a citation for the book! Please be sure to double check that all elements are there, because sometimes OttoBib makes mistakes.
